Round RGB Wall Washer

Exterior

Interior

DMX

Warranty

OVERVIEW

US Luminaire's series of RGB round wall washers features industry leading optics. The high quality RGB LEDs can be controlled through a DMX intelligent console to achieve color shifting, fading, chasing, running and other magical lighting effects. Ideally suited for a wide range of applications like stages, churches, nightclubs, discos, and hotels.

The housing uses a high thermal conductivity aluminum alloy and the heat-treated glass lens make the fixtures explosion-proof, dust-proof and water proof IP66.

FEATURES

- IP66
- DC voltage
- Works with DMX512
